Dated Mysore, 5th February 1918.

From

Thos DENHAM, Esq., M.A.,
Registrar, Mysore University,
Mysore.

To

I.G. L'Souza, Esq., B.A., B.L.,
Secretary to the Government of
His Highness the Maharaja of Mysore,
Departments of Education & Agriculture,
Bangalore.

Sir,

I am directed to forward herewith for the information of Government a copy of letter No.1302 dated the 21st January 1918 from the Superintendent, Government Press, stating under the circumstance mentioned therein that no University work will be received in the Press from 1st February 1918.

In this connection, I am to invite your kind attention to the latter part of your letter No.2053/Edn.12-16-129 dated 20th May 1917 and also to the resolution of the University Council passed on 25th June 1917 forwarded with this office letter No. 199 dated 5th July 1917 and to state that the bulk of the printing work will be done by the private presses, only work of a confidential character being entrusted to Government Press.

I am further to state that the work of the University is such that in most cases printing has to be done expeditiously and that very often both the Government and the private local press will have to be relied on for the prompt execution of the same.

(6

In view of the foregoing circumstances I am to request that if Government have not already arrived at any final decision in the matter, you will be so good as to obtain the orders of Government for the continuance of the present arrangement until the University has a Press of its own.

I have the honour to be,

Sir,

Your most obedient servant,

Registrar.

Copy of letter No.1382 dated 21st January 1918 from the Superintendent, Government Press, Bangalore, to the Registrar, Mysore University, Mysore.

All University work.

I have the honour to state that it is under contemplation by the Government of His Highness the Maharaja of Mysore to issue orders to discontinue the execution of the marginally noted work in the Government Press with a view to reduce the congestion of work in the Press and also to expedite and ensure the prompt despatch of such work. I therefore request you to kindly arrange to have the work done elsewhere from 1st February next. The copy received after that date will have to be returned as not possible for execution.
